Many new Clubshop Affiliates are skeptical.

They don't know us and our impeccable track record.

So, many times, they ask if GPS Subscribers are making money.

We know that Clubshop has paid commissions every month to all entitled partners since 1997.

But they don't know that.

So, as we have 100s of Partners earning Payable commissions every day, why not let the world know it?

This marketing tool allows you to share your latest payable commission with just one click and sign up new Affiliate with no effort. Watch this video to learn how it works.
