When you are a Clubshop Partner, all the heavy tasks you need to build a highly profitable online business are performed by your GPS automatically.

So, you can focus on the most enjoyable part of your income building process: to socialize with your teammates to build a strong team spirit and offer your support.

The online meeting agenda included in your GPS Subscription helps you to perform your role optimizing your time.

You can set up your availability so that your teammates can book a one-to-one online meeting with you.

Or, you can book meetings with your uplines sponsors when you need help.
