What if I don't renew my GPS monthly Subscription?

GPS are renewed automatically by deducting the monthly fee from your commissions, as soon as you have earned at least \$50 in commissions during the previous month.

If they don't have \$50 in commission yet, you should renew it manually through the payment options available, on the 1st of each month.

If you don't renew it on the 1st of each month your grace period starts and it ends on the last day of the unpaid month.

Once the grace period ends, you are no more VIP so you're removed from the GPS Plan VIP Plan and your TQ, PQ, and GQ are forfeited.

If one day they upgrade again you will start from scratch as a new VIP.
