At any moment, if you wish to speed up the development of your Clubshop fe-Commerce Global Market and **contribute actively to the Clubshop's Fair & Ethical Commerce project**, you can subscribe to the Clubshop Global Partner System (GPS); the exclusive **Marketing a CRM Platform**, complete with all the tools, strategy, training, support you need to build and manage with an optimized effort a thriving online business. **The GPS Subscription qualifies you as a Vested Income Partner (VIP).**

IMPORTANT: GPS is not for everyone. It's an advanced marketing and CRM platform that you should subscribe to only if you are genuinely committed to actively contributing to the development of the fe-Commerce FREE Global Market.

– GPS Monthly Residual Income.

As a VIP, **in addition to the commissions earned from your**

member's purchases, you can earn a residual income (all figures shown herein are in US Dollars) by personally selling at least one Global Partner Subscription with Annual Resale License (**GPS: \$50 monthly fee + \$100 Annual Resale License**). As a VIP, you will begin to receive a monthly commission equal to no less than \$25.00 for each GPS VIP subscription you sell. The more GPS subscriptions you sell, the greater your Clubshop monthly residual income will be!

NOTE: GPS Subscription sold without the Annual Resale license will not be part of the VIP Business plan as they will generate TNT Commissions in the fe-Commerce Global Market.

| | |
|---|----------------------|
| GPS with Annual Resale License VIP Personally Sold (subscriptions sold) | 1 to infinite |
| Minimum Income | \$25.00 each |

– GPS Leadership Income.

As your personally sponsored VIPs also sell GPS subscriptions, you can earn override commissions from the fees paid by this “Personal Group” (PG) of VIPs. Here are the qualifications that need to be met for you to receive override commissions:

- **TQ (Team Qualifier)** – This is the number of VIPs in our one downline network under you.
- **PQ (Personal Qualifier)** – This is determined by the number and types of VIPs you have personally sponsored.
- **GQ (Group Qualifier)** – This is the number of VIPs in your personal group. These are the VIPs that you have personally sponsored and all the VIPs that they have sponsored on the downline.

[Go to your GPS Dashboard](#) to view your Qualifiers (TQ, PQ, GQ).

IMPORTANT: To calculate your entitlement to Leadership Income, compare your Residual Income entitlement (\$25.00 for each personally sponsored VIP) to the Monthly Leadership Income you

may qualify for by referring to the table below.

You will receive whichever amount is higher! I.E., If you have 10 personally sponsored VIPs, your minimum Residual Income is \$250 (10 X \$25). However, if you have qualified as a Bronze Manager, your income would be \$300 rather than \$250

| Title | TQ | PQ | GQ | Monthly Leadership Income |
|-------------------------|-----------|---------------------------------|-----------|----------------------------------|
| *Team Player | 0 | 2 VIPs | 2 | \$50 |
| Team Leader | 500 | 3 VIPs | 4 | \$80 |
| Team Captain | 1000 | 6 VIPs | 8 | \$160 |
| Bronze Manager | 2000 | 1 Team Captain** | 15 | \$300 |
| Silver Manager | 2500 | 2 Team Captains** | 25 | \$500 |
| Gold Manager | 3000 | 3 Team Captains** | 50 | \$1 000 |
| Ruby Director | 4000 | 2 Team Captains and 1 Manager** | 75 | \$1 500 |
| Emerald Director | 4500 | 1 Team Captain and 2 Managers** | 100 | \$2 000 |
| Diamond Director | 5000 | 3 Managers** | 150 | \$3 000 |

*Upon becoming a Team Player, your monthly fee will be deducted from your commissions.

** If one or more of your personal Team Captains or higher have reached the title of **Executive Director**, their GQ will not be included as part of your GQ, and your GQ requirement will be 1/2 of the GQs shown above.

NOTE: To be promoted to (or paid for) a level, the qualifications must be met for the previous level(s).

TERMINATION FOR NO PAY: The GPS renewal fee must be paid on the 1st of each month. It must be paid with automatic renewal through a commission deduction once the VIP earnings are at least \$25. If the GPS renewal fee is not automatically

deducted from the Leadership Income, it must be paid **manually or through an automatic subscription** on the 1st day of each month and never later than the last day of the due month.

GRACE PERIOD: If a GPS monthly renewal is not paid on time, we keep the VIP's position in the genealogy intact and the GPS access available until the last day of the no paid month then the position is automatically deleted and the access to the GPS turned off. Consequently, all the VIP rights and qualifiers are forfeited, and it does not produce any TQ, PQ, or GQ.

Next Stop – President's Club

Upon becoming a Diamond Director and having one of your personally sponsored VIPs become a Director, you are then qualified to become an Executive Director and a member of our President's Club. As a President's Club member, your Passive Income can continue to grow and grow with no limit on how much you can make.

| TITLE | TQ | PQ* | GQ** | Monthly Residual Income |
|----------------------|------------|-----------------|----------|-------------------------|
| 1 Star | 6,000 | 1 Director | 200 | \$4 000 |
| 2 Stars | 7,000 | 2 Directors | 300 | \$5 000 |
| 3 Stars | 8,000 | 3 Directors | 400 | \$6,000 |
| 4 Stars | 9,000 | 4 Directors | 500 | \$8,000 |
| 5 Stars | 10,000 | 5 Directors | 600 | \$10,000 |
| Each Additional Star | 1,000 More | 1 more Director | 100 More | \$2,000 Additional |

*An Executive Director will receive PQ credit for any downline (not personally sponsored) Executive Director, assuming there are no other Executive Directors between them. Therefore, the

first Executive Director downline under an Executive Director will count as if personally sponsored, and any VIPs between the Executive Directors will count towards the upline Executive Director's GQ.

EXECUTIVE DIRECTORS SIDE VOLUME: **As an Executive Director, if you have one or more personally sponsored Executive Directors, their GQ will not be included in your GQ, and the GQ qualifications above will not apply. Instead, your GQ will be based on how many you have in your GQ apart from any downline Executive Director's GQs. I.E., If you have a total GQ of 300, of which 200 of it belongs to an Executive Director either sponsored by you or in your downline, then your GQ will be 100 (300 less 200 = 100).

Regardless of how many Stars you have earned, once you have at least one Executive Director sponsored, the GQ you will need to qualify for any level you have achieved will be based on the GQs shown in the table below.

| Executive Directors Sponsored | GQ |
|--------------------------------------|------------|
| 1 | 100 |
| 2 | 80 |
| 3 | 60 |
| 4 | 40 |
| 5 | 20 |
| 6 or more | 0 |

Note: No further GQ applies after having six or more personally sponsored Executive Directors. If an Executive Director does not meet the PQ as shown above, they will be paid at the rate for the previous level.

\$100 BONUS To award the achievement of an Executive Director having a personally sponsored Executive Director, a \$100 monthly bonus will be paid to the sponsoring Executive Director for each personally sponsored Executive Director.

President's Club Travels

Upon qualifying for three consecutive months as an Executive Director, you will be entitled to a three day/2 night all-expense paid trip from any continental (your continent) city to a vacation resort you can choose among the alternative options Clubshop offers. Upon qualifying for at least six consecutive months in a calendar year (including December) as an Executive Director, you will receive an all-expense paid 4 day/3 night cruise or resort trip (from any continental your continent. city) with fellow President Club Members.

Active Sponsor Requirement

To receive Leadership Income from your Personal Group, one has to be an Active Sponsor, defined as: "Sponsoring at least one new VIP within a three consecutive month period."

If within a three consecutive month period, a VIP fails to have sold at least one new GPS Subscription (**with such GPS being current in paying their fees**), they will receive a monthly Residual Income of \$25.00 for each personally sponsored VIP.

Upon selling a new GPS subscription in any month after that, they will automatically requalify to begin again receiving leadership from their Personal Group.

Note: This requirement does not apply to VIPs qualified as Executive Director (President's Club Member) in a given month.
