

# YOUR MARKET BOOSTER 1: The JumpStart Program

## How the JumpStart works.

1. Every new Clubshopper can click the button to ask for the “JumpStart” before the end of their first 30 days as Clubshop member.
2. After requesting the jump start activation, they have 48 hours to purchase anything they want (\$30 Min. Tax & Shipment Excluded) at the [Clubshop Outlet](#).
3. Once their purchase is completed, we credit them with 6 COOP Shares, which gives them the right to receive 12 Shopper Member accounts into their TNT Global Market.
4. The Members they’ll receive will be distributed by their line builder to complete their first second, or more, vertical lines.

Click the Image Below to see the template (**it’s a template, not an active page**) of the JumpStart page invitation that new Shopper Member will see right after their thank you page or when they click the JumpStart button on their Dashboard.
