

YOUR MARKET BOOSTER 2: The Shop&Build Program

Clubshop has introduced the new Shop&Build program to assist all FREE Shopper Members in growing their Clubshop TNT Free Global Market effortlessly, even while shopping online and, where possible, offline.

**BUILD YOUR TEAM WHILE YOU'RE SHOPPING.
AUTOMATICALLY!**

How It Works

- With no commitments required, [in addition to Cashback, Coupons, Special Offers](#), you'll accumulate Shop&Build credits every time you make a purchase at hundreds of ClubShop mall stores worldwide, gradually reaching the predefined thresholds visible on your dashboard.

- Whenever you reach one of these thresholds, you can request the corresponding quantity of COOP Advertising Shares directly from [your dashboard](#).
- For instance, once you've spent \$500 anywhere at the ClubShop mall stores, you can claim 10 COOP shares.
- The table below shows the current thresholds and corresponding incentives.

Threshold No.	Required Amount	Incentive	Incentive Type
1	\$ 500	10 New Shoppers	
2	\$ 1000	25 New Shoppers	
3	\$ 2000	60 New Shoppers	
4	\$ 4000	140 New Shoppers	
5	\$ 6000	300 New Shoppers	
6	\$ 10000	500 New Shoppers	

The same opportunity is available to ALL other Shopper Members in your TNT Free Global Market. **This collective benefit accelerates the duplication and subsequent development of your Global Market.** This incentive not only automates team building but also lets you earn commissions from numerous purchases made by fellow teammates in the months and years ahead.
